BRAND AMBASSADORS

Matt Kuchar

After bursting onto the scene at a 1998 global tournament as reigning U.S. amateur champion, Matt Kuchar quickly became one of the most respected golfers in the world. With nine titles, he remains a perennial fixture at the top of tournament leaderboards and consistently appears in the Top 10 on tour.

Matt wears his signature Skechers GO GOLF Pro 4™ in competition, where he's known for making some remarkable shots. "Mr. Consistent," Kuchar remains a threat after taking home honors on the global stage.

Wesley Bryan

One of the newest showman in the golf world, Wesley grew up with the sport, thanks to his father's golf academy. With his commitment to hard work and total devotion to the game, Wesley hit his stride on the minor league tour in 2016 when he was named Player of the Year. After three wins in his first 13 starts, he earned the prestigious promotion to the major pro tour—becoming only the 11th golfer in history to do so. Bryan has a very bright future in the sport he was clearly born to play.

Brooke Henderson

Canadian-born golf phenom Brooke Henderson found her swing at a very young age. By age 14, she'd won three events in Canada and the Canadian amateur tournament. She came in second at the U.S. amateur event the following year and was the top-ranked amateur on the planet before going pro in 2014, when she was just 16.

She won her first major in June 2016—the youngest to ever win that event. Before her twentieth birthday, she'd already been named Canadian press female athlete of the year for 2015, 2017 and 2018. Her toughness, strength and winning smile win her new fans at every tournament.

Russell Knox

A pro since 2007, Russell Knox became the first Scottish golfer to win a world golf tournament event in 2015. Coming off a victory and first tour win, the tenacious Scotsman enjoyed a rapid ascent up the official world golf rankings. He became a major contender in 2016 when he broke the top 5 in the standings for the first time.

Colin Montgomerie

As one of his generation's most recognizable and endearing athletes, Colin Montgomerie is a statesman of golf. Known affectionately to millions around the world as "Monty," Montgomerie is one of Britain's most admired athletes. With numerous tournament victories, career highlights also include two-time Senior Major winner, eight-time money leader on the European tour, and the winning European team captain. He enjoyed an unprecedented seven-year run as Europe's number one player, and has earned more prize money than any British golfer in history.

Billy Andrade

Born in Bristol, Rhode Island, Billy Andrade's amateur career kicked off when he was named junior player of the year in 1981. He led his school to victory at the 1986 college championships, and went pro the following year. Andrade's impressive career has since included four tour titles and he now competes on the champions circuit.

SKECHERS GOGOLF®

OUR TECHNOLOGY

We first developed many of our groundbreaking materials and designs for our award-winning GO RUN collection. When we applied them to the golf world, the results were incredible. The cornerstone of every product built on our GO platform will always be total performance and extraordinary comfort. Our commitment to innovation allows us to produce simply the best golf performance footwear in the world.

In 2019, we introduced our most innovative outsole; Skechers GRIPFLEX™ technology. It's never been a better time to play in Skechers GO GOLF®.
